Tuesday, 27, 2021

Greetings:

I would like to welcome all our returning and new students back into the building, as we will be coming back to in-person instruction starting August 2, 2021, at 7:45am.

We will continue to provide distance learning as well.

**We encourage parents or guardians to have their child attend in-person but we understand that some families would still like to continue distance learning.**

Please read **front and back** for updates to both in-person and distance learning:
