February 7, 2022

Dear Parents and Guardians:

Starting on April 4 through April 29, 2022, students in 9th grade will be participating in the ACT Aspire assessment. This test will be administered online and students will be rotated in the computer labs to take the test. This is a statewide assessment and the purpose of this assessment is to determine your child's level of achievement in areas such as reading, writing, mathematics, science, and social studies. We will use the data from this assessment to determine which students would benefit from intervention or enrichment. This assessment will allow us to determine how achievement of students at Tuba City High School compares to other students their age nationally.

This assessment is required by the Arizona Department of Education. Results of your child's performance on the ACT Aspire assessment will be sent home.

You can assist your children by encouraging adequate sleep the night before, a good breakfast prior to school and ensuring that your child is present in school and on time on their scheduled testing day. Please remind your children to give the test their best effort.

Thanks for your assistance in making this a positive experience for your child. If you have any questions, please contact me at rmccabe@tcusd.org or (928) 283-1052.

Sincerely,

Raye Lynn McCabe
Principal
