July 27, 2022

Dear Warrior Students and Families,

It is my pleasure to welcome back the class of 2023, class of 2024, and class of 2025. I would also like to welcome to our Warrior family the class of 2026. I am looking forward to seeing you on the first day of school which will be Monday, August 1, 2022 at 8:00am.

One of the school improvement priorities that we have identified is that the master schedule will provide students with access to a year-long continuity and course work in order to maximize rigor and relevant curriculum and alignment to the state graduation requirements. Therefore, we will be changing to a six-period day starting this school year. This means that students will be scheduled into six classes (60 minutes each) with the graduation requirements changing for the incoming 9th graders. Please navigate our TCHS website for the bell schedule, the district calendar and staff information. Also note that student schedules will not be finalized until late this week and these schedules will be handed out the first day of school. Although change can be stressful and challenging, it can also be exciting and move us in a positive direction. Lastly, we are also in the process of revisiting our vision and mission statements and we invite you to log onto our TCHS website make your selection. That survey will end on Friday, August 5th.

The amazing staff at Tuba City High School and I feel privileged to be a part of this school family. We thank you for your support and we look forward to educating your child. You are welcome to contact TCHS at 928.283.1050 if you have any questions or concerns and we will assist you as best we can.

Sincerely,

Raye Lynn McCabe
Principal
