Dear Parents/Guardians,

December 1, 2022

We hope everyone had a great Thanksgiving Break.

TCJHS staff and teachers continue to look forward to working with all students each day. Parent Teacher Conferences were held yesterday, if you were unable to connect with TCJHS teachers, they welcome emails and/or phone calls afterschool. We encourage you to reach out so that you know your child's progress. Quarter 2 will end December 16.

If your child will be trying out for basketball in January, your child must have a physical before practicing. Please submit your child's physical form to the front office and keep a copy for your records.

A parent survey was administered at PTC. TCJHS is conducting a survey for our accreditation review. We are hoping to capture as many responses as possible. The survey is also on the TCJHS website. Here is the link and the QR code:

<https://eprovesurveys.advanc-ed.org/surveys/#/action/208599/17652>

TCJHS sends home a monthly calendar with students every month, the calendar will have all activities, meetings, etc. for your planning purposes. The TCJHS Band's Winter Concert will be held on December 14 @ 6:30 pm. TCJHS will be celebrating 2<sup>nd</sup> Quarter student academic achievement on December 16. We look forward to an exciting second semester of school.

Thank you for supporting your child's education.

Educationally,

Dr. Melissa J. Bilagody, TCJHS Principal

Constance Benally, Dean of Students
