

**How to find your VNC number for TCUSD #15 Tech support *only* to remote into your desktop computer/laptop to help troubleshoot any issues that you may be experiencing.**

1. Click on the up icon next to the date and time in the bottom right corner of your screen.

2. Scroll/hover (do not click) your mouse cursor over the white “V” icon and write down the 10.00.00.00 numbers that appear. This is your VNC Number.
