WELCOME BACK MESSAGE

Dear Parents/Guardians and Students,

Welcome to Tuba City High School! If you are new to TCHS, we are very happy that you have elected to join our community. If you are returning, we are just as happy to see you again. Together, we will encounter new journeys.

Many students have attended TCHS since the school's establishment in 1959 and have been successful in their endeavors. We offer a challenging curriculum designed to prepare students for postsecondary education and workforce careers. Our aim is to offer a variety of opportunities for all students to grow and learn.

The teachers and staff are dedicated to providing a safe and nurturing learning environment. Each staff member, student, and guest have the responsibility to keep our campus safe. I encourage you to take time to review school policies and expectations and to become familiar with these guiding principles that support campus safety and academic excellence.

Tuba City High School believes in educating the whole child for life, creating opportunities for lifelong learning. Education is a mutual responsibility. We trust that the parents will work cooperatively to support and re-enforce school policies and programs. I encourage you to attend school functions and communicate with our staff regularly.

Communicate the message education is the key to their future with your students. Together, let us be the team that builds a strong foundation for your students' future.

Have a great and successful school year!

Respectfully,

A handwritten signature in blue ink that reads "Steve A. Troglia Jr." in a cursive style.

Steven A. Troglia Jr.
Interim Principal
