No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document.
- F. No Waiver. Either party's failure to insist on strict performance of any term or condition of the Contract shall not be deemed waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

Contractor shall be responsible for the payment of all costs incurred by the School District/Public Entity for testing and inspection.

- E. Notices. The School District/Public Entity shall make notices to the Contractor required by this Contract to the person indicated on the Offer and Acceptance form submitted by the Contractor unless otherwise stated in the Contract. The Contract may be modified only through a Contract Amendment within the scope of the Contract. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by an unauthorized employee or made unilaterally by the Contractor are violations of the Contract and of applicable law. Such changes, including unauthorized written Contract Amendments, shall be void and without effect, and the Contractor shall not be entitled to any claim and this Contract based on those changes.

#### 5. **RISK AND LIABILITY**

- A. Risk of Loss. The Contractor shall bear all loss of conforming material covered under this Contract until received by authorized personnel at the location designated in the purchase order or Contract. To the extent permitted by A.R.S. § 41-621 and § 35-154, the School District/Public Entity shall be indemnified and held harmless by the Contractor for its vicarious liability as result of entering into this Contract. Each party to this Contract is responsible for its own negligence. The Contractor shall defend, indemnify and hold harmless the District from any and all claims, demands, suits, actions, proceedings, loss, cost, and damages of every kind and description, including any attorneys' fees and/or litigation expenses, which may be brought or made against or incurred by the District on account of loss of or damage to any property or for injuries to or death of any person, caused by, arising out of, or contributed to, in whole or in part, by reasons of any act, omission, professional error, fault, mistake, or negligence of Contractor, its employees, agents, representatives, or subcontractors, their employees, agents, representatives in connection with or incident to the performance of this Contract, or arising out of Worker's Compensation claims, Unemployment Compensation claims, or Unemployment Disability compensation claims of employees of Contractor and/or its subcontractors or claims under similar such laws or obligations. Contractor's obligation under this Section shall not extend to any liability caused by the sole negligence of the District or its employees. The District is seeking a high reliability solution and will accept optical Ethernet and non-fiber solutions.

The District is seeking proposals for one of four options. Offerors may respond to one or more options.

1. A fully managed, Leased 'lit' fiber service with pricing at the required bandwidth levels outlined below.
2. A Leased Dark Fiber solution that includes fiber maintenance and operations.
3. Self-provisioned, district owned fiber that includes fiber maintenance and operations.
4. Services provided over third-party networks other than fiber. Services must meet the uptime, latency, jitter, contention, packet loss standards of the fiber WAN.

Additionally, the district requests two alternative proposals. The first request is to connect **ALL** schools to the hub. The second request is for connecting **ONLY** Tuba City High School to the District Office Hub. Vendors may quote one or both alternatives. All four options for connection listed above are viable for each alternative.

If the quoted solution includes Non-Recurring costs, please provide options to mitigate large capital expenditures. The current Wide Area Network consists of leased Wireless Point to Point connections from each site to the District Hub location. The District Hub is located at 67 Fir Street, Tuba City, Az 86045.
